The Heschel Center for Environmental  
Learning and Leadership

The Heschel Center, a leader of the environmental movement in Israel, was founded in 1998, and works for a sustainable future based on ecological health and social justice.

This is to certify that

*Seeds of Sustainability*

זרעי קיימות

have been planted in the name of

\_\_\_\_\_

on the occasion of

\_\_\_\_\_

in the

\_\_\_\_\_ project,

which promotes \_\_\_\_\_

\_\_\_\_\_

*May these seeds blossom into a sustainable future for us all*

להבין להשכיל לשמוע ללמוד ללמד לשמור לעשות ולקיים  
למען יאריכון ימיכם וייטב לכם בארץ

Understand, grow wise, heed, learn, teach, preserve, act and sustain  
so that you merit long life and fare well in the land
